

Thank you for your inquiry and congratulations on your engagement.

I have pleasure in enclosing our wedding information together with a comprehensive list of our recommended providers to complete your celebrations. Please take the time to read through the information carefully.

Our set up.....

We offer Lisnavagh House & Gardens on a private hire level so that you can feel as far away as possible from “mainstream” weddings. The surroundings are private and unique, and the atmosphere is relaxed enabling you to put your own stamp on the big day. The emphasis is on a bespoke wedding.

With our two-night stay (there is an option to stay a third night) it gives you the opportunity to have a family gathering the night before your wedding at Lisnavagh House and wake up on your wedding morning when you can have a leisurely breakfast before the excitement begins. The day after your wedding there is the option to have a BBQ or a more relaxed gathering with some croquet on the lawn in front of Lisnavagh House.

After over a decade of experience with different and unusual types of weddings held here, we feel we are able to offer you some expert advice. Like our preferred caterers we like to work with suppliers that know Lisnavagh so that you get the best out of the whole occasion, and it makes a smooth-running event.

We can also offer other entertainment over the weekend such as clay pigeon shooting, Lisnavagh experiences, themed talks and stories from the past, yoga classes, horseback riding (all subject to availability and to be booked in advance).

Lisnavagh has a marriage licence and are welcome to civil ceremonies, humanist and spiritual ceremonies and blessings. These can take place in an outside location including our spectacular Yew Walk, if weather permits, or as a backup plan in our unique location in the woods – The Brick Barn.

The renowned Lisnavagh Gardens offer fourteen acres of Pleasure Grounds and Mixed Borders. We ask you to contribute your own flowers and decor for The Garden Wing. Lisnavagh House is decorated by us with fresh flowers from our gardens.

A slice of Lisnavagh history.....

Lisnavagh House has been in the same family, the McClintock Bunburys, for twelve generations so there is a tremendous sense of history here and it is still a family home. We live here with our three children and are here to chat and assist you during your weekend stay.

For further information on history of Lisnavagh and the Bunbury family visit http://turtlebunbury.com/family/bunburyfamily_lisnavagh.html

Accommodation.....

Lisnavagh House offers seven individually styled bedrooms and six bathrooms with accommodation for up to fourteen guests. Guests are welcome to stay for up to three nights and a minimum two-night stay applies. Full Irish breakfast is included each morning around one big table in our elegant Dining Room.

Our cottages (subject to availability) can be taken on a self-catering basis and are situated close to Lisnavagh House. The Stables Courtyard has ten double ensuite converted accommodation that is fun, quirky and just around the corner from Lisnavagh House and the Garden Wing. So, with Lisnavagh House, Stables Courtyard and other on-site accommodation we can accommodate 50-70 guests at Lisnavagh (subject to availability) with plenty of local accommodation nearby.

Caterers...

We work with a few expert outside caterers at Lisnavagh House. We have chosen them because we feel that they offer high quality produce along with a strong standard of service, taking care of you and your guests. They are familiar with the property and what an event entails at Lisnavagh which offers a smooth-running event which is a very important part of the celebrations.

Please find attached sample menus from our preferred wedding caterers - Eunice Power Catering, Andrew Holmes Catering and Lu Thornley Catering, who can discuss ideas to suit your budget and provide their creative suggestions based around your requirements. Your menu is built for you. We advise getting two quotes, so you have a comparison and if you have time, we recommend booking a tasting with them. They will liaise with you and quote you for staff, food and hire costs all in. There is a rental charge between Lisnavagh and your chosen caterer for the use of the kitchen, utilities and waste.

The Lisnavagh Kitchen can also provide food and service for your family gathering or rehearsal dinner as well as a brunch if you would like to go with this option with a late check out the day after your wedding day. Menus are available on request.

Please note that Lisnavagh House is not a self-catering house. All catering must be managed through one of our approved caterers.

Drink...

We have pleasure in attaching our bulk order wedding wine list that offers a selection of excellent wines and champagnes at very reasonable price from Tindal Wines. We work closely with Jerome Caxcard who can be reached by mobile or email + 353 (0) 861301666 or jcaxard@tindalwine.com and he can assist with your choice and quantity as well as a tasting/food pairing if required.

We can provide a drinks package at €20.00 per person to include, beers, cocktails / mocktails and bubbles for reception only. We do have a bar onsite that is situated in the venue and managed by Lisnavagh. We can discuss opening times with you in the build-up to your wedding day. The bar closing time is at the discretion of our bar staff.

For the second day we can open the Lisnavagh bar from 2pm so that your guests can enjoy drinks at no extra cost to you.

The Garden Wing...

A versatile venue for small and larger weddings.

The Garden Wing is our renovated barn style venue situated adjacent to Lisnavagh House with a covered walkway link to and from the house. Please find attached some details of the design of the Garden Wing.

The space is beautifully versatile and can host a small wedding of 25 guests as well as up a wedding for up to 160 guests on round or rustic oblong tables.

We offer micro weddings for an intimate 6 and up to 15 guests in the Dining Room in Lisnavagh House midweek or low season. For further information on micro weddings please contact us.

At Lisnavagh we work closely with you and offer advice from our years of expertise as well as reply to your queries as we go along. Once you have chosen your preferred caterer from our list and arranged your perfect menu, we take up the liaison with them as well as other suppliers in the build-up.

We offer tiered décor options for the Garden Wing and the ceremony spaces so that you can choose your style and leave the rest to us. Talk to us about decor options and pricing. For flower décor we work closely with Florabundant who have a flower farm at Lisnavagh. They have an ethical policy around their flower décor, so it fits in very well with our outlook. You can contact Florabundant direct - Eilis 087 956 8705 and their instagram is <https://www.instagram.com/p/Clvjryzn7l0/?igshid=1gd1cy34oc4t2>

So, at Lisnavagh you can do lots of "alternative stuff" and each wedding is created by you which makes country house weddings so special.
